Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Saturday 20 Feb 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rain clearing and winds easing, remaining mild and cloudy.

This Evening and Tonight:
This evening, rain will gradually ease and clear to the east into the night. This will leave dry conditions overnight, though staying fairly cloudy with the best of the clear spells in the north. Winds easing, and remaining mild. Minimum temperature 7 deg C (45 deg F).

Sunday:
It will be a dry morning with some bright spells. Cloud increasing from the south through the afternoon with some outbreaks of mostly light rain developing. Light winds, feeling mild. Maximum temperature 12 deg C (54 deg F).

Outlook for Monday to Wednesday:
Dry and sunny on Monday after possible early rain. Rain and strong winds return later Tuesday into Wednesday, especially further north. Drier periods towards the south and east. Remaining mild.
